

KLOVE provides me with encouragement going and coming from work or play. If KLOVE were to be forced off the air, it would be a great disservice to the community. KLOVE provides a wholesome program which does not require filtering for the entire family to enjoy. It also provides an avenue to relieve the pressures of today's fast-paced society. With all the explicit insinuations that take place on other stations, it would be a shame to lose a station that wholly considers the family as part of their broadcast.
